would be that a Judge of a Magistrate would doubt if the trath were known that such act under the impression that the records of things are of constant occurrence. his doings would be published and handed down to postcrity. It is different in Hongkong to what it is elsewhere. The proportion of Europeans here to the entire population o this colony is so very small, that newspapers cannot be maintained on the scale necessary to carry out their proper functions, and the consequence is that our law Courts are entirely released from that wholesome surveillance of the Press which in other parts of Hor Majesty's dominions is found so essential to the attainment of those ends which British institutions are characterised for. With the limited circulation of newspapers here, it is impossible that a staff of reporters reckaned as one insertion or repetition as above explained. Fig.

Besides, unless these Courts be danced attendance constantly upon, A BE-MENTHER SUMMARY for drausals it is impossible to find out when and whether sion by the Mail Steamer. Containing all the intelligence of the fortnight, whether Political Commercial Maritims or General. Comprising: all Market information and Prices Corrent linve made several vigorous yet fruitless attributed and Japan, as also from Manila. tempts to correct the defect, and although we pre more than everimpressed with the necessity of carrying out our design, we are nevertheless more the deeply penetrated with the difficulties to be surmounted in the attainment of We cannot complain of discourtesy on the

We desire to be perfectly understood. We do not complain in the least, of the character of any one of the Judges or the Magistrates. We are quite satisfied of their probity, of their practical knowledge, and of their sense of justice. But we say that the eye of the public through the medium of the press would be a salutary and a necessary check upon THE Undersigned having been appointed Sethem. Let us point out, how Judges and cretaries and Agents of this Association, are tising in the above named publication will be Mugistrates in London are watched by the prepared to issue Policies upon Marine Risks | THE undersigned having been appointed Agents Teduced one half, the following being the altered press! How often does it occur that the proocedings of the Metropolitan law Courts come Advertisements a maining 50 characters or under the lash of the Press, and stand greatly corrected thereby? Let us suppose a suggestion made in the House of Commons that this surveillance should be removed and neither record nor report kept of the proceedings of fornia, and Australia. The local circulation is outcry would be as great as a bill would cause very large, and as a mediam of advertising it will which might have for its object, permission for the Prince of Wales to marry two or three Now it cannot be pretended that the Hong. kong Judges and Magistrates, honest and practical as we admit them to be, can compare with the Metropolitan Judges and Magistrates

legal attainments go. Consequently this cowould be were the surveillance of the Press BOUND VOLUMES of the OVERLAND with drawn from the Metropoliton Courtsand the more so, inasmuch as nearly all the THE TOURIST'S GUIDE and MER. cases in Hongkong have to be tried through others which requires vigorous surveillance. What makes the correction of the abuse the more difficult, is the unimosity existing between the local authorities and the local press. The governing powers affect to look upon the Press as low and abusive, and therefore not to be encouraged nor regarded by any means. Still they would gladly control

they could, and must assuredly be annoyed at not being able to call it entirely yenal and servile. On the other hand the independent ers with precisely the same amount of courtery as they meet out to it. The Pope excommunicated Garibaldi, and Garibaldi excommunicated the Pope, neither being in the least the worse nor the better for the bad wishes of the other. The Government and the Press of Hongkong are undoubtedly very The "United Service," leaves for small potatoes when compared with either Singapore and Bombay, To-morrow, His Holiness or the liberator of Italy. Still we must sometimes take a vast range for our analogies, and although the denunciation of the Hongkong Government and the Press towards each other many be as hearty and as The Singapore" leaves for Shang- fully intended as the anothemes which passed SURANOE COMPANY, LIMITED, who will hai, on Monday next, the 29th Insprecisely similar.
